Results of a 2010-2011 SPCHNA survey by eight responding schools. This chart denotes salaries for 2010-2011 year, based on title and hours worked. The school names will be kept anonymous.
Note: 1) Every box with salary given denotes a school's answer in survey to salary procured for position per amount of hours and months worked in a calendar year. Some boxes will indicate if 2 schools gave same salary for same position (as noted in box)
2) $K=$ thousand.
